

ENVIRONMENTAL POLICY

Beacon Offshore Ltd. was established in 2006 and provides subsea inspection, repair and maintenance services to the offshore oil & gas, merchant shipping and marine civil engineering industries. We are headquartered in Pinthong Industrial Estate on the Eastern Seaboard of Thailand and perform our services throughout Thailand and South East Asia.

Our Company is committed to protecting the environment and has implemented an Environment Management System that meets or exceeds ISO 14001.

To minimize any environmental impact related to our Company's activities, products and services, we shall:

- Comply with applicable statutory, regulatory, customer and other requirements to which the Company subscribes, and which relate to the protection and preservation of the environment.
- Prevent pollution, reduce waste and minimize the consumption of resources.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner.
- Encourage environmental protection among suppliers and subcontractors.

The Company is committed to continual improvement of environmental performance.

This policy is posted on the Company Notice Board and included in the Company Environmental Manual. A copy is given to all new staff as part of staff induction.
