

Beacon Offshore Ltd. will comply with all applicable local and international labour regulations, treaties, conventions and principles relating to the protection, welfare, health & safety of Children, as well as laws for the prevention of any form of human trafficking, servitude & slavery.

Furthermore, the Company will not employ any person deemed by local or international laws, conventions or regulations to be a Child in any capacity in any industrial operation under its control.

The Company is committed to the principles of protecting Children from Child & Forced Labour Exploitation. The Company believes that the healthy development of Children is best served through education and not Child Labour.

This is a commitment the Company seeks to promote throughout its supply chain from clients through to third party suppliers & contactors.

Senior management of Beacon Offshore Ltd. will review this Policy Statement periodically.
