

Corporate Social Responsibility Commitment

Beacon Offshore Ltd., is committed to serving the local community and aims to provide a platform for work experience and training as a part of skill development for young people residing or studying in the area.

The Company is committed to:

- Provide local universities with a platform for their students to gain actual work experience as a part of their university studies.
- Develop the skills of Thai nationals to ensure they are competent and capable of developing themselves in a number of disciplines related to the Oil and Gas industry.
- Operating Thai flagged vessels utilising Thai vessel crew, and further developing the Thai workforce in this field through training and development.
- Providing education and skill development to Thai nationals who wish to build a career in the offshore subsea servicing for the oil & gas industry.
